10th May 2017

**The Head of Sports,
University of Nairobi,**

Dear Sir,

RE: 2ND AFRO VARSITY 3X3 BASKETBALL CHALLENGE 2017 - APPRECIATION

The leadership of FASU and Organising Committee would like to extend their sincere appreciation to your university for sending a delegation to the 2nd Afro Varsity 3x3 Basketball Challenge held at **United States International University - Africa (USIU)** in Nairobi, Kenya from 29th and 30th April 2017. You can find the official results on, <http://3x3planet.com/en/event/details/TMZ17DMGLZHEVZZZ> , the official FIBA 3x3 website. We have attached a copy of results & select photos for your team.

It was such a lovely time having students from across the continent compete and share experiences. We take this opportunity to encourage us to continue with this spirit of promoting university sports in Africa. This year, we started a ONE AFRICA campaign, and all participants in our events are given a t-shirt which bares FASU's visual Identity and slogan, "**We are Africa**" this is supposed to remind us of our responsibility to develop Africa for Africans by Africans. Our university students belong to a category of tomorrow's leaders. Let us use sports, especially university sports to learn and make way for national and continental development. It starts with us believing that this continent is just not a landmass, but "WE ARE AFRICA"

Let us adopt this spirit in all our events, and promote the hash tag **#WeAreAfrica** in all our social media sports postings. The Secretariat would also be willing to share with you the brand guidelines and artwork for the reproduction of these t-shirts for your local activities.

Yours Sincerely

**Peninnah A. KABENGE
SECRETARY GENERAL**
